Oconomowoc Area Baseball Club

Dear Community Partners,

The OABC was established in 1997 with the mission to enhance the boys' baseball and girls' softball programs within the Oconomowoc area. In keeping with the purpose of the organization, OABC has donated thousands of dollars and countless volunteer hours since its creation upgrading area baseball facilities and sponsoring teams from age 7 through the Five O's adult teams. The Club has helped improve baseball facilities at Roosevelt Park as well as the development of our four-field complex at the Village of Summit Park serving U7 through U14 baseball and U8 through U18 softball teams.

Our goal is to raise \$25,000 towards capital improvements at our Five O's facilities.

We recognize that our local businesses are asked often to donate to community causes. Please know that we sincerely appreciate any consideration and do not want you to feel pressured to support us. We welcome any level of support and will work together to customize whatever type of recognition, signage, or acknowledgment you see fit.

If you find yourself able to help, please contact us at secretaryoabc2@gmail.com or visit our website at www.oconomowoc5os.org. Thank you for your help and your community support.

Sincerely,

Oconomowoc Area Baseball Club Board of Directors
